Your Trusted Moving Partner Across India

IBL Relocation is a professional packers and movers company providing reliable relocation solutions across India. We specialise in safe packing, timely transportation, and damage-free delivery of goods.

Our goal is to make every move simple, secure, and stress-free for our customers. With years of experience and a commitment to excellence, we've become the preferred choice for thousands of satisfied clients.

OUR SERVICES

Comprehensive Relocation Solutions

From residential moves to corporate relocations, we offer a complete range of services tailored to your specific needs.

Home Shifting

Local and intercity moves with careful handling

Office Relocation

Minimal downtime for your business

Vehicle Transport

Safe car and bike transportation

Corporate Shifting

Large-scale enterprise solutions

Home Shifting Services

Reliable Local & Intercity Moves

Whether you're moving within the city or across states, we ensure your belongings reach safely and on time.

Careful Packing & Handling

Expert packing of furniture, appliances, and fragile items using high-quality materials to prevent damage during transit.

Complete End-to-End Service

Safe loading, secure transportation, careful unloading, and optional unpacking support at your new home.

Office Relocation Made Simple

We understand that time is money in business. Our planned office relocation services ensure minimal disruption to your operations.

- Secure handling of furniture, IT equipment, and confidential documents
- Systematic packing with clear labelling for organised setup
- Flexible scheduling including after-hours and weekend moves
- Ideal for startups, SMEs, and established corporate offices

Specialised Transportation Services

Car & Bike Transportation

Safe vehicle transportation using specialised carriers with door-to-door pickup and delivery. Damage prevention through proper securing and safety checks for both short and long-distance moves.

Corporate Shifting

Large-scale commercial relocation solutions with structured planning and supervised execution. Secure handling of company assets, infrastructure, and inventory designed for enterprises and warehouses.

Additional Protection & Storage

Transportation Insurance

Comprehensive insurance coverage to protect your goods during transit. Financial security against accidents, damages, or unforeseen risks. Highly recommended for valuable and fragile items, giving you complete peace of mind.

Storage Rentals

Secure short-term and long-term storage solutions in clean, monitored, and well-maintained facilities. Flexible storage plans available for both households and offices with 24/7 security and climate control options.

☆ WHY CHOOSE US

What Makes IBL Relocation Different

Experienced & Trained Staff

Our professional team undergoes regular training to handle your belongings with expert care and attention.

Safe Packing Materials

We use only premium quality packing materials including bubble wrap, corrugated boxes, and protective padding.

Transparent Pricing

No hidden charges or surprises. Clear quotations with detailed breakdowns provided upfront.

Timely Delivery

We value your time and ensure deliveries are made as per the agreed schedule, every single time.

Customer-Focused Service

Your satisfaction is our priority. Dedicated support throughout the moving process with responsive customer care.

Service Coverage Across Western India

IBL Relocation proudly serves customers across Karnataka, Maharashtra, and nearby regions. Our extensive network ensures reliable service whether you're moving locally or across state borders.

With strategically located facilities and a fleet of well-maintained vehicles, we guarantee timely and secure relocations throughout our service areas.

Karnataka

Bengaluru, Mysuru, Mangaluru, and surrounding areas

Maharashtra

Mumbai, Pune, Nashik, and adjoining regions
